INDUSTRIES, KUNDLI (SONEPAT)

AWARD

By order No. 1D/RK-206-A-72/10597, dated 14th March, 1973, the Governor of Haryana referred the following dispute between the management of M/s Kundli Engineering Industries, Kundli (Sonapat) and its workmen to this Tribunal, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947—

1. Whether the workmen should be paid bonus for the years 1970-71 and 1971-72? If so, with what details?
2. Whether seasonal uniforms should be supplied to the workmen of the factory? If so, with what details?
3. Whether the Chowkidars should also be provided with seasonal uniforms? If so, with what details?
4. Whether Chowkidars should be provided with raincoats? If so, with what details?
5. Whether the cap for sitting the Chowkidars should be made? If so, with what details?

The parties appeared in this Tribunal in response to the notice of reference sent to them and filed their pleadings giving rise to the issues, as framed per reference.

The authorised representative for the workmen appeared last in this Tribunal on 16th May, 1974, and never thereafter despite notice being sent to him a number of times through registered cover presumed to have been served on him in the ordinary course.

The absence of the workmen and their authorised representative Shri Ram Kishan since 12th July, 1974 indicates the want of interest in pursuing the demand raised by them on the management. The workmen and their authorised representative failed to appear even on 21st November, 1975 despite notice being sent to them through registered post. The irresistible conclusion under the circumstances is that they do not propose to pursue the demand leading to the reference.

I accordingly hold that the workmen are no longer interested to pursuing the demand leading to this reference and as such there is now no dispute between the parties requiring adjudication. I return a no dispute award.

Dated 12th December, 1975.

Presiding Officer,

SHRI DEEP CHAND, WORKMAN AND THE MANAGEMENT OF M/S NATIONAL LABORATORIES, 20TH MILE STONE, MATHURA ROAD, FARIDABAD

AWARD

By order No. ID/FD/74/760/20060, dated 11th July, 1974, the Governor of Haryana, referred the following dispute between the management of M/s. National Laboratories, 20th Mile Stone, Mathura Road, Faridabad and its workman Shri Deep Chand to this Tribunal, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947:—

Whether the termination of services of Shri Deep Chand was justified and in order? If not, to what relief is he entitled?

The parties appeared in this Tribunal and filed their pleadings giving rise to the following issues framed,—vide order dated 2nd June, 1975 :—

- (1) Whether the demands the subject-matter of the present reference was first raised on the management and rejected by it before taking up the matter for conciliation? If not, with what effect?
- (2) Whether it is a case of self-abandonment of service by the workman concerned?
- (3) Whether the termination of services of Shri Deep Chand was justified and in order? If not, to what relief is he entitled?

The parties led evidence in support of their pleas and arguments were heard by Shri O. P. Sharma, my learned predecessor. An *ex parte* award was made,—vide order dated 27th January, 1975 against the workman with the findings that the latter abandoned his service of his own accord and he was not entitled to any relief.

On an application made by the workman for setting aside the *ex parte* award on the allegation that the case in fact had been fixed for 28th January, 1975 for filing of the written statement and not

on 24th January, 1975 when *ex parte* proceedings were taken up against him. The *ex parte* award was set aside by me,—*vide* my order dated 25th July, 1975.

The case was fixed for 11th November, 1975 for recording the evidence of the workman when the parties arrived at a settlement and made their statements in accordance therewith whereby the management paid a sum of Rs 900 to the workman in full and final satisfaction of all his claims against them. The statement of the parties were recorded in terms of the written settlement Ex. 2-A. The workman admitted to have received a sum of Rs 900 in full and final satisfaction of all his claims.

I thus hold in view of the statements of the parties as referred to above that the demands raised by the workman giving rise to the dispute as referred to this Tribunal have since been satisfied and there is now no dispute between the parties requiring adjudication. I accordingly return a no dispute award.
